# RECEPTION

## First days in Reception

It seems like such a long time ago now that we started school! We settled in by exploring the environment and getting to know our new teachers.

## Forest School

Reception enjoyed their time at Forest School. They collected conkers, made art using natural materials and even had hot chocolate in the rain!  
Thank you Mr Jeffreys!

We have learnt lots of new things in Reception. We have loved our phonics lessons and are reading so many new words using Fred Talk. We have looked at sorting and patterns in Maths this term.

We have also become teachers!

We have looked at Baptism in RE and what it means to be welcomed. Here we are at our 'Welcome to St Joseph's Liturgy'.

**We are so lucky to have many wonderful parents who can come in and speak to us about their jobs.**

**We received a visit from 'Fireman Harrison' and 'Nurse Kelly'.**

# YEAR 1

We had a wonderful time competing in many different activities within the sporting circuits. We are very confident runners and are working on our ball skills.

# Science Museum

The Science Museum was amazing! We loved exploring the different activities and learning about the old planes. It's really helped us with our history topic!

We love going to Forest School and getting muddy! We have been working as a team to build structures using leaves and sticks. The hot chocolate is the best!

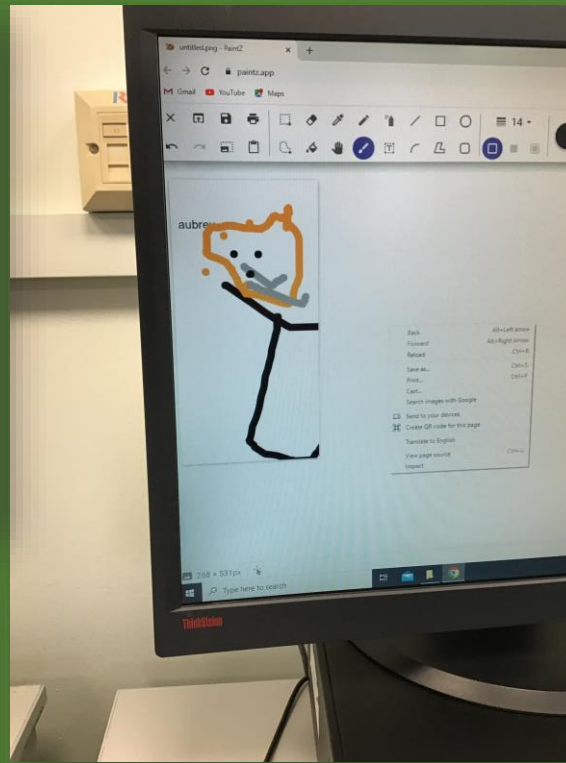

Forest School

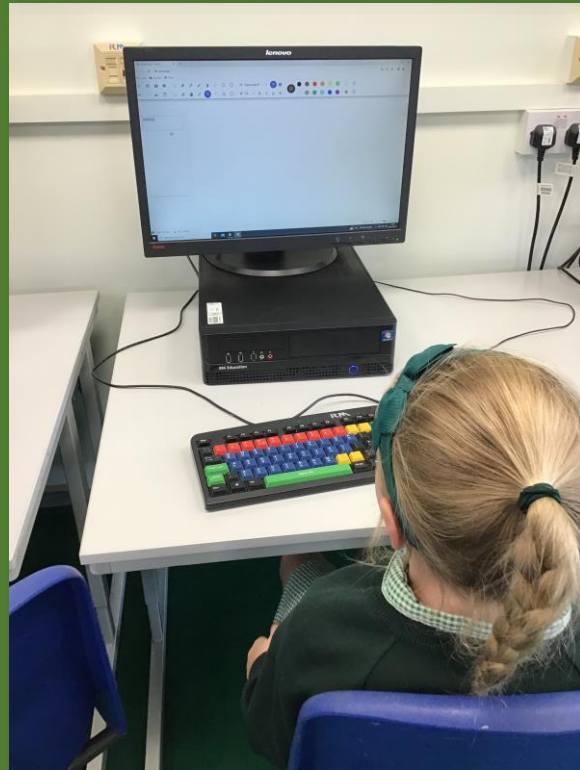

In RE we explored how God loves us and all living things. We made our own God's creatures using natural resources from our beautiful world.

We were so excited to use the ICT room! We can now log ourselves on, type our names and create pictures of ourselves.

# YEAR 2

Love, Learn, Grow

# Instructions

We have been learning to write instructions. In one of our lessons we had to give instructions to our teachers ....and they followed them exactly. We learnt how specific we really needed to be!

We made our own biscuits and wrote step by step instructions so you can make them too!

Love, Learn, Grow

# Great Fire of London Day!

We had a fantastic day learning about the Great Fire of London. We had a drama workshop and met Thomas Farriner, who started the fire in his bakery!

socially mistakes morally spiritually potential

# Clay Pineapples

In Art we looked at an artist called Giuseppe Arcimboldo. He made portraits out of fruits, flowers and even books.

We then created our own pineapples, using pineapples to create texture in the clay. It was great fun!

Love, Learn, Grow

# Maths

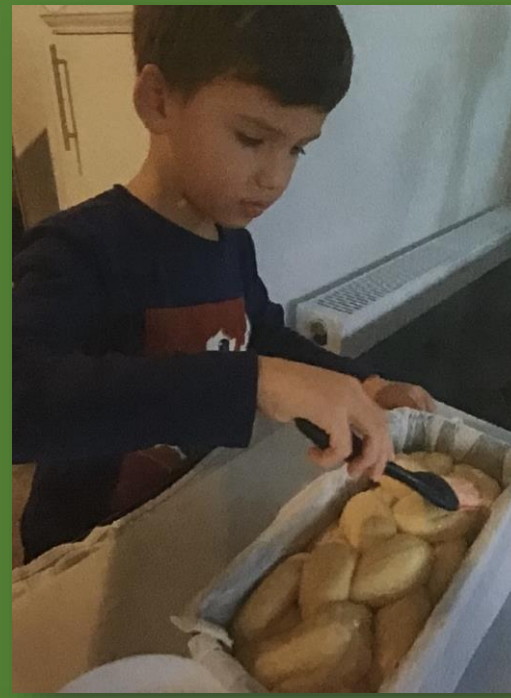

We have been working hard to add and subtract. We have used our Maths working walls, class displays and concrete resources to help us.

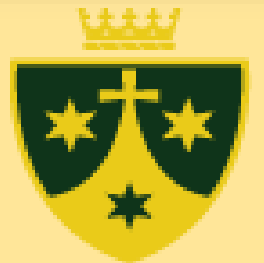

Love, Learn, Grow

# Judaism

We learnt all about  
Judaism in RE.  
We learnt about  
Shabbat and for  
homework we  
made our own  
challah bread.

# YEAR 3

# ART

*Using natural materials to paint*

# SCIENCE

*Sorting and investigating the different types of rock!*

# GEOGRAPHY

*Learning about coasts with the help of an atlas!*

# HISTORY

## *Cave painting in the Stone Age*

# PE

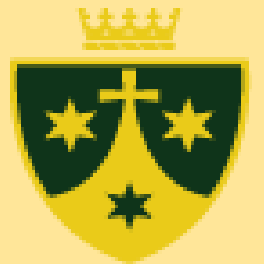

## *Sports afternoon playing handball*

# YEAR 4

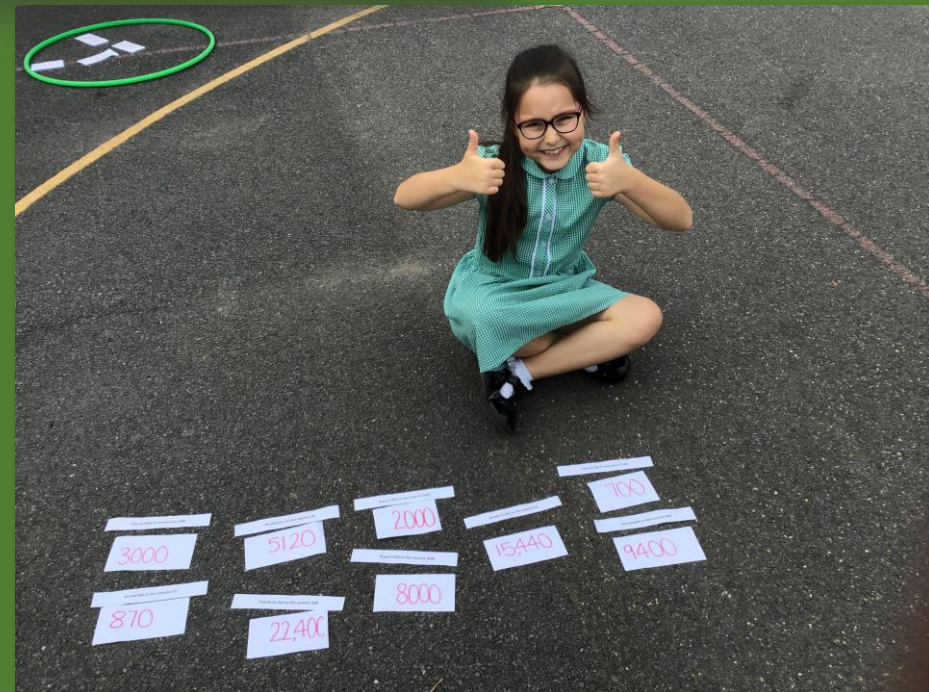

Year 4 began the academic year creating their own water cycle.

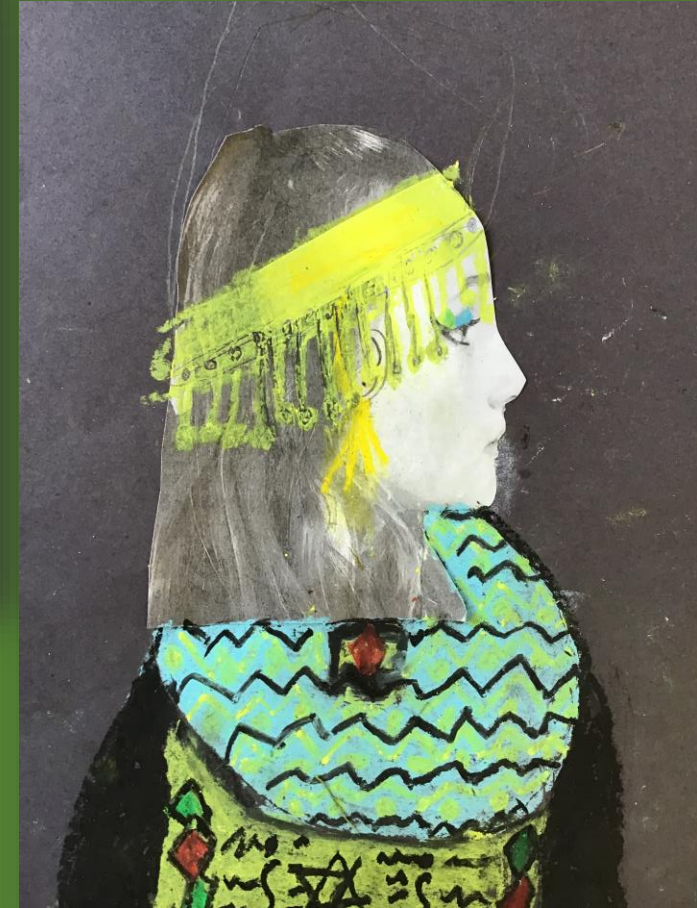

In Science, Year 4 learnt about States of Matter. They investigated if gas weighs anything. The children weighed the fizzy drinks before and after giving them a good shake and removing the lid!

We have managed to get outside and be active in some of our Maths lessons. When learning about rounding, we had races to find the nearest 10s, 100s and 1000s.

Year 4 enjoyed their Egyptian Day. They dressed up, enjoyed a drama workshop, wrapped up like mummies and created some hieroglyphic art.

**Year 4 recently had their sports afternoon. They danced, had a work out and completed a skills session.**

# YEAR 5

# Love, Learn, Grow

We have been very busy at Forest School. During our sessions, we planted conkers, built animal 'hotels', constructed stretchers, designed forts and learnt how to make a fire (plus lots of hot chocolate!!!)
