RECEPTION

Dangerous Dinosaurs

This term, we have been learning about dinosaurs, focusing on the different types, what they looked like and how they became extinct.

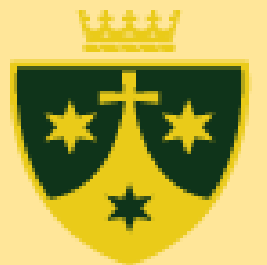

Love, Learn, Grow

Starry Night

socially mistakes morally spiritually potential
confidently **Learn** academically world
Grow **Love** **St** Jesus faith
ourselves others **Joseph's**

We have been learning about space, stars and rocketships!

Love, Learn, Grow

Communication Week

socially mistakes morally spiritually potential
confidently **Learn** academically world
Grow **Love** **St** Jesus faith
ourselves others **Joseph's**

We had so much fun finding new ways to communicate and doing fun things - like making hearts and baking jam tarts.

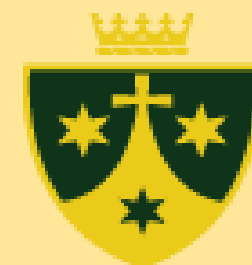

Love, Learn, Grow

Chitty Chatty Tea Party

socially mistakes morally spiritually potential
confidently **Learn** academically world
Grow **Love** **St** **Jesus** faith
ourselves others **Joseph's**

We loved chatting to our families, giving them their mothers day presents and eating the jam tarts and treats that we made!

Love, Learn, Grow

Having fun in Maths!

YEAR 1

Love, Learn, Grow

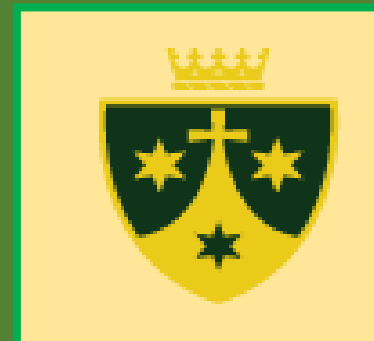

English

In English we wrote a journey story based on the book, '**Lila and the Secret of the Rain**'.

Our story told the story of our main character who went on a journey.

Lila and our character had to overcome a number of problems before the journey ended.

Love, Learn, Grow

Examples of our writing!

For weeks and weeks
the rain poured
down on the
Kenyan village
where Lila
lived.

It was too wet to ^{milk} milk
the cow. It was too wet to
get the firewood. ^{It} was too
wet to the village garden.
Lila ^{weed} wanted the rain to
stop and the sun to shine.

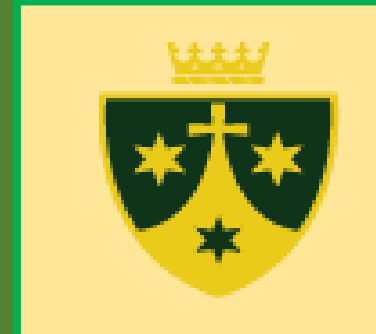

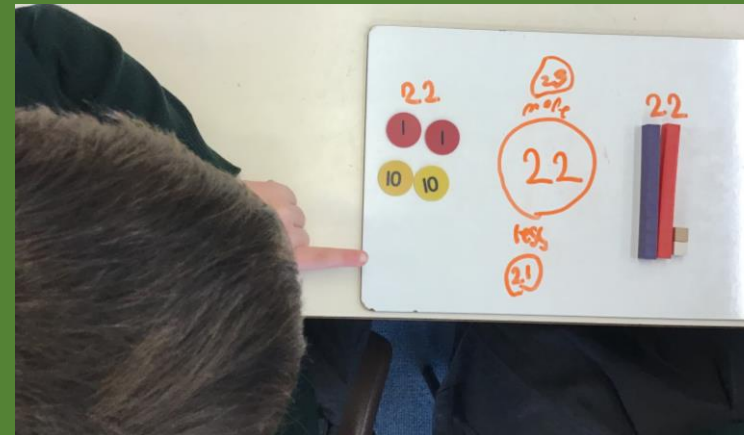

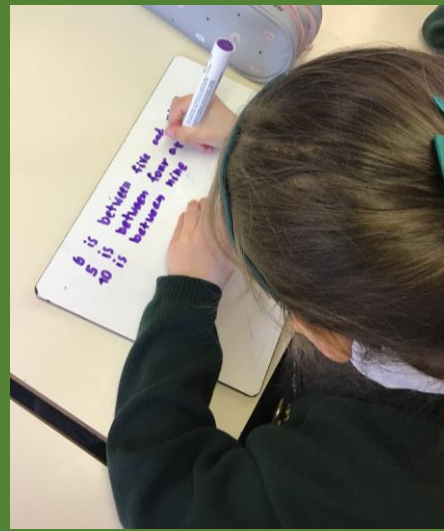

Princess Pech and the burnt
castle.
For days and days a little
Princess lived in a little
castle. One day it was raining
and there was mud that ^{nearly} filled
her whole door up. One day
she went for a walk and when
she came back her castle was
burnt. She knew it was broken.
She had to go to bazaar
castle to tell him to make
her castle better.

When the sand-storm came
for years and years there was
a desert where Phillip lived
with his camels. He went outside
and saw a deer got red and
shoot him and he was dead.
He brought him home and got
red.

Love, Learn, Grow

Maths

We have been working hard in Maths. We had a great time finding and making numbers to 50.

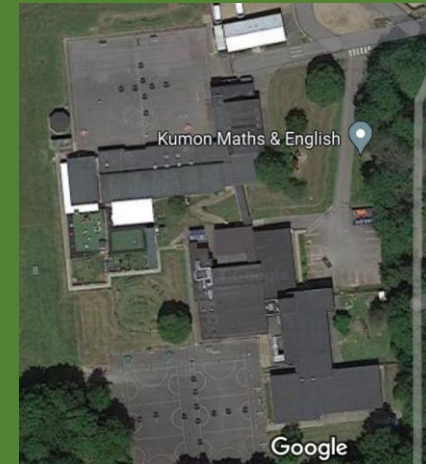

Love, Learn, Grow

Geography

We have been learning about our local area and the different physical and human features around us. We went on a trip, walking around our local area, to identify human features that we could see around us. It was a great way to get to know our local area, especially the park!

YEAR 2

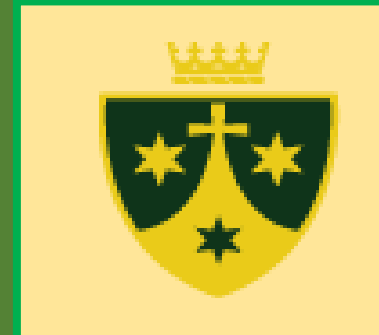

Love, Learn, Grow

Music

In music we have been learning the song 'Zoo Time' and put our own actions to the words.

We found the pulse using different movements and acted like all sorts of different animals.

Then we played the tune on the glockenspiels.

Love, Learn, Grow

Forest School

We had a great time exploring habitats in forest school. We created our own bug hotels and made pictures of different food chains.

Love, Learn, Grow

Art

We learnt about different types of printing in art.
We used leaves to print our own pictures and
made different patterns. We learnt about
repeating, drop and half drop patterns.

YEAR 3

Forest School

Year 3 have had a great time exploring the outdoors, learning how to build animal dens and how creatures adapt to their environment.

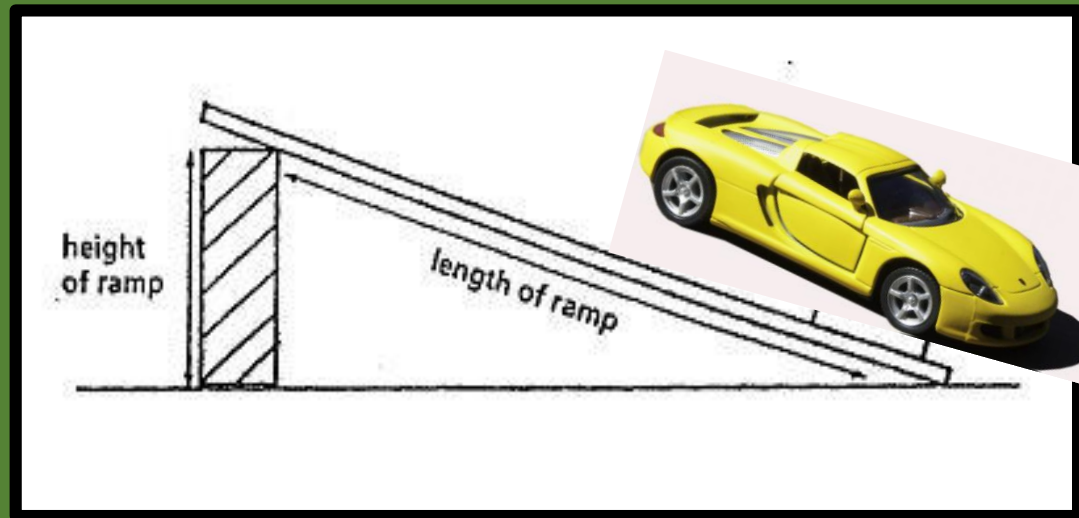

Trip to COAM

Year 3 learnt how to make flour and butter. They became archaeologists and learnt how to dig for artefacts.

Science Investigations!

Year 3 built ramps and covered them with different materials. They then used toy cars and measured how far they travelled, looking at the impact of friction.

Sports Afternoon – Bench ball

Year 3 spent the afternoon learning the rules and skills needed to play bench ball. They ended the session with a competition.

Science

We have been exploring sound. We have been looking at how instruments make sound and how sound travels through solids, liquids, and gases.

Love, Learn, Grow

Maths

We have been studying fractions.
We love to use Numicon and
number lines to help us compare
fractions.
