Classlist is the parent app that brings you into the heart of your school community.

Here are 9 things you can do on the Classlist app to get you started!

9 Admins: click **Switch to Admin** here to go to your Admin screens. Create an **Announcement** to post a message of any length with attachments. Post to multiple groups. Admins should create events here to benefit from extra **Event** features

1 Ask the parents in your child's class a question, share information or start a conversation

2 Your **Parent board** is where you'll see relevant posts for you: from your class, your year group, special interest groups you've joined or whole school announcements

8 View and update your personal details in your **Profile**. Add or change your photo, edit your child's details & add family contacts. Adjust your privacy & notification settings

3 View up-to-date class lists & contact details here. See who's who in your child's class. Put a face to a name! See who lives near you on the **Parent Map**. Find a lift or car-share

7 See your **notifications** here. Tap on **More**, then tap on the bell icon

4 Here's your **Create** menu. Share to your class group, organise a meet-up, set up a new interest group, message a parent or sell outgrown items
