

SPORTS PREMIUM FUNDING 2022-2023

What is the Sports Premium?

The Government has provided Primary schools with an additional grant for improving the participation and attainment of pupils in PE and Sports. The funding is jointly provided by the Departments for Education, Health and Culture, Media and Sport. St Joseph's has been awarded £19,410 that will be released in two instalments. The government has confirmed that the Primary PE and Sport Premium funding will continue at £320 million for the 2022/2023 academic year.

Purpose of the funding

The money is ring fenced which means schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses of the funding include:

- Providing targeted activities or support to involve and encourage the least active children;
- Encouraging active play during break times and lunchtimes;
- Establishing, extending or funding attendance of school sport clubs and activities and holiday clubs, or broadening the variety offered;
- Adopting an active mile initiative;
- Raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2. Every child should leave primary school able to swim.

At St. Joseph's Primary School, we recognise the positive contribution of Physical Education (PE) to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extracurricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

We understand that PE is part of a whole package to support the personal development of pupils, such as the opportunities they have to learn about eating healthily and maintaining an active lifestyle. Physical Education and sport clearly contribute to the holistic development of young people and through participation in sport and physical education, the pupils learn more about key values such as teamwork, fair play and respect for themselves and others.

There is significant evidence to show the positive effects of sport and exercise on pupils' physical health, growth and development. Furthermore, sport also provides a healthy environment for young people to learn how to deal with competition and how to cope with both winning and losing.

Covid-19:

Following the recent school closures, our aim will be to continue to improve the quality and breadth of PE provision for all pupils, raising achievement and ensuring a lasting impact. We aim to harness the potential of sport for social good so that the pupils understand how sport can have a meaningful and measurable impact on improving their lives.

Amount of Sports Grant Received	£19410			
Amount of Sports Grant Carried Forward from previous year	£5,200			
Key Area	Intended Outcome	Cost	Anticipated Impact	Review – September 2023
Bucks School Sports Partnership	<p>Opportunities for all year groups to attend sporting activities / festivals and competitions with other schools.</p> <p>Staff development opportunities – CPD courses / Sports Specialist to work alongside class teachers in the delivery of the PE curriculum, ensuring that all teachers are confident and receive the latest guidance in delivering well organised and challenging lessons, which have a positive impact on the children's progress and attainment in PE.</p>	£3,000	<p>Comprehensive programme of sporting activities planned over the year for all year groups and opportunities to work with other schools.</p> <p>Comprehensive programme of support and training for teachers to enable them to deliver high quality PE. Teachers show increased confidence in delivering PE.</p>	<p>We have continued working alongside the Bucks Partnership to enable our pupils to develop a repertoire of sports. We have found that this is no longer sustainable as CCC will no longer host events and the cost for transportation will increase dramatically. We will be looking to adapt the ways in which we work alongside secondary schools to provide sports opportunities for our pupils.</p>
Ensure children are able to attend sporting tournaments, festivals and competitions.	As and when we will be able to travel to venues for sporting events -money will provide transport to sporting	£4550	Children have opportunity to participate in a wider range of sports e.g. dodgeball and archery. Pupils	Coaches have been provided so that pupils can attend events in other schools. The cost has dramatically

	activities within the Bucks Partnership and release of staff to escort children.		develop a greater repertoire of skills and knowledge of other sports.	increased to £3,475, so far, this academic year.
Providing specialist coaches to support teachers to teach PE to Yr6, Yr5, Yr4 and Y2	Children will develop their skills/knowledge of a range of physical activities. Specialist sport teachers will work alongside staff to deliver high quality lessons with confidence.	£7500	Children experience a range of sports and have the opportunity to develop a variety of skills.	We continue to employ a staff member from the Ems for specialist teaching, working alongside our staff to support them in assessing and developing the knowledge and skills.
Purchase PE Hub	Staff will be able to use the scheme as a teaching tool to ensure that lessons are progressive and challenging. Online assessment tool will allow staff to track the progress of pupils and develop next steps. (Annual subscription)	£546	Children are exposed to well-planned and high-quality PE lessons in which skills are developed and revised. Ongoing assessment allow pupils to develop skills and understand the next steps to develop and move their learning on.	This resource enables staff to follow structured lessons and be supported in the teaching of Physical Education.
Additional swimming provision for Year 6 pupils, who have not achieved the standard. (Year 3/4 swim is part of the normal curriculum offer).	Pupils in Year 6 will swim for an additional term to meet the national standards. Pupils will be assessed against the criteria and supported in small groups to achieve the standard.	£3800	To ensure that by the end of KS2 pupils learn to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively, and perform safe rescue in different water-based situations.	Year 6 pupils attend swimming in the Pentecost term, where they are assessed and then pupils unable to complete the assessment are supported to develop the life skills of swimming that they need.
Training for support staff (MSAs) so that they are engaging pupils in	All lunchtime staff have been trained to support their understanding and confidence in organising	£1500	Children are active during their breaktimes, developing a range of sporting skills, both physically and mentally.	We have been unable to complete objective this year. We look to move this into the new academic year 23-24.

activities and games during lunchtimes.	games and activities for pupils during lunchtime breaks so that they are spending the majority of their time engaged in exercise.			
Sports Ambassadors to re-engage pupils to completing the daily mile	All pupils involved in 15 minutes of additional activity every day. Award certificates trophies for children/ classes that complete set targets for the week. KS1 playground to have the daily mile painted on the playground floor.	£100 £600	Daily mile firmly embedded in the school day. Pupils rewarded for effort and commitment. Visible track in KS1 playground will enable younger pupils to record the distance travelled and challenge and exceed targets.	Not completed.
Activity equipment for KS1 Playground	To increase the availability of equipment to be used during recreational times for the pupils in KS1. Activity equipment will enable pupils to be active and develop imagination, social skills, balance and coordination.	Phase 3 KS1 – £10,000	More children will be able to be active during the break times at school, therefore ensuring that the 30 minute daily active time is being met.	This has been completed in June 23. Unfortunately, the cost increased to £15,000, but this will enable more pupils to be active throughout their break times.
Create zones in playgrounds to enable pupils	To increase the availability of equipment to be used during recreational times for the pupils in KS1 and KS2.	£500	More children will be able to be active during the break times at school, therefore ensuring that the 30 minute daily active time is being met.	This is ongoing as the playground works continue. Will be completed in the academic year 23-24.

	Zoned areas will enable pupils to be active and develop imagination, social and fitness skills.			
'Craze of the Month'/Playground Equipment	To increase activities for pupils during break and lunch times, highlighting different sporting activities – hoops etc...	£250	Pupils will engage in differing fun sporting activities, led by the Sports Ambassadors.	Not completed.
PE Ambassadors to become more active in school throughout the day, including breaktimes	Year group PE ambassadors to liaise with year groups to create Sports mornings and sport pupils to complete 15 minutes additional exercise per day.	£250	Pupils will lead and drive sport within the school, particularly encouraging sports which are not part of the PE curriculum. Awards and trophies presented to classes who achieve targets.	PE ambassadors have started running mini sports afternoons in year groups – presenting prizes and stickers to competitors.
Health and Fitness (wellbeing) week	To develop excellence and enjoyment of PE. Experience new sports and improve the wellbeing of pupils. Cross curricular links, encouraging healthy eating and wellbeing of mind and body. Chef will run cookery session for parents on healthy eating.	£2000	School community will develop understanding of living healthy – with knowledge of foods to eat, exercise to facilitate a healthy body and reflections to support the wellness of the mind.	Not completed in 22-23. Will roll over to the academic year 23-34. Instead a GB Athlete attended school (28 th June) and children raised money for the school and GB athletes by completing fitness circuits.

Expand enrichment clubs and resources	To ensure that a variety of sports can be taught. Sports leader to drive variety of clubs for after school. Specialist football coach to aid in the teaching of football across years 5 and 6.	£1500	Staff will provide high quality enrichment sessions using a range of resources, providing opportunities for all pupils to access sport.	Football coach employed to support the training of the football teams. Girls football team won the South Bucks District Final this academic year.
Playground games – line marking	To increase pupil activity at break and lunch times, highlighting different sporting activities – hoops etc...	£2795	Play buddies have supported pupils in playing using the line markings to learn and be active.	Pupils active during lunch and break. All students encouraged to participate with buddies.
Total spent:	£24,191 Carry forward - £419.00
