As two mums of three energetic kids each, we know all too well how often little bumps, scrapes, and ouch moments happen when you're out and about. That's why we created the **Ouch Pouch** — a compact, practical first aid kit packed with essentials for life's little mishaps. What's more, they're handmade locally by parents, for parents.

Perfect for your bag, pram, grandparents, or the car — whether you're at the park, on a playdate, or running errands, the **Ouch Pouch** has you covered.

Peace of mind, made simple.
