Elephant Love Medley

The Elephant Love Medley is one of the most iconic parts of the film “Moulin Rouge” where the characters played by Nicole Kidman and Ewan McGregor sing a song back and forth using lots of different love songs...

How many can you name?

How many songs can you identify? There are a couple from bands or artists we have learnt about in “Musician of the Month”

Samples

Use the following website to listen to the samples from the songs that make up the Elephant Love Medley.
