

St Joseph's

Reception Newsletter

The children have had a great week learning and exploring in our environment.

Our new mini topic is 'Moving On' - This Reception-only project celebrates the children's successes throughout their Reception year. It explores how they have grown and changed and supports them with the changes to come as they move into Year 1.

Our key text for next week is: 'Ruby's Worry'. We will be thinking about the children's transition into KS1.

How you can support your child at home:

- Talk to your child about what they are excited about doing in Year 1.
- Ask your child what they know about Year 1 e.g. Where are the children who are in Year 1 going? Do you think they might need a pencil case? Do you think they might get a morning break on the playground?

Maths- This week children will be focusing on making connections between all aspects of maths that have been covered throughout the year. We will look at deepening this understanding through developing the children's reasoning and problem-solving skills.

How you can help your child at home:

This link has some games that will support your child's understanding of problem-solving and reasoning.

<https://www.topmarks.co.uk/maths-games/5-7-years/problem-solving>

We are currently assessing the children to organise groups ready for September. We will be sending home individualised packages of resources for you to use over the summer to continue to support and consolidate your child's foundations of reading.

We ask that all RWInc resources are returned to school by Friday 11th July. Please look at home and send back any materials you may find.

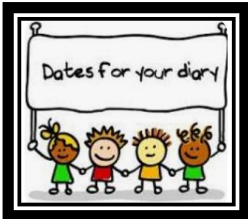

To protect your child in the sun, please ensure that they have a labelled hat and water bottle. We would also ask that you apply sun cream in the morning.

Thank you for your cooperation.

- If you any spare bottoms, underwear or socks to donate, we would greatly appreciate it.
- Nappy bags and wipes would also be greatly appreciated.
- Boxes of tissues for the classroom.
- Please send in some pictures of your children at the beach.

End of Term 23rd July 1pm finish.

Family lives offers confidential support through its **free** helpline service on **0808 800 2222**. They offer advice and emotional support on any aspect of parenting or family life.

Highlights: We went to Forest School for a big clean-up to clear any plastic that we found!

Here are some snippets of our learning
this week!

Have a lovely weekend. Thank you for your support
The Reception Team.
