

St Joseph's

Reception Newsletter

The children have had a jam-packed week this week, they deserve a well-earned rest!

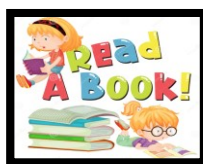

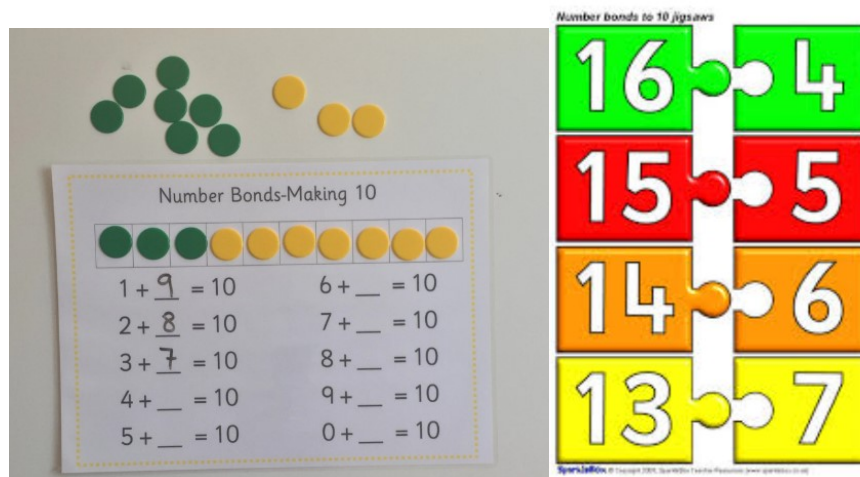

Our topic is 'On the Beach' - This project teaches children about the plants and animals that live at the seaside. It also explores holidays in the past and the importance of keeping safe in the Sun.

Our key text for next week is: 'Who swallowed Stanley?'.

How you can support your child at home:

- Go for a day out at the beach, and investigate a rock pool.
- Look at pictures of family days out at the beach and talk about the activities you enjoy.
- Use Google Earth to look at images of seas and oceans around the world.

Maths- Due to having so many events happen in Reception this week, we will be continuing looking at place value to make sure children have a solid foundation as they progress through the last part of this half term. We will be mainly looking at number bonds to 10 and then further extending children to look at the similarities in number bonds to 20.

Can we please ask that you work in partnership with us to help your child reach their full potential by reading with them, signing the record and ensuring it is in school every day. Additionally, please continue to use the QR codes sent home and play Fred games with your child. This will greatly improve their progress in reading and writing.

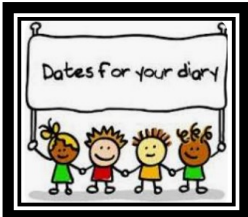

To protect your child in the sun, please ensure that they have a labelled hat and water bottle. We would also ask that you apply sun cream in the morning.

Thank you for your cooperation.

- If you any spare bottoms, underwear or socks to donate, we would greatly appreciate it.
- Nappy bags and wipes would also be greatly appreciated.
- Boxes of tissues for the classroom.
- Please send in some pictures of your children at the beach.

End of Term 23rd July 1pm finish.

Family lives offers confidential support through its **free** helpline service on **0808 800 2222**. They offer advice and emotional support on any aspect of parenting or family life.

Highlights: The children had a wonderful time at Wood Oaks Farm!

PIC•COLLAGE

Poem of the week!

Upon A Beach

Upon a beach
Three small shells lay,
And saw the water
Come out to play.
But, all the waves
Went back to sea,
And took those shells,
One, two and three.
