

St Joseph's

Reception Newsletter

The children have had a lovely week with us as we prepare for KS1!

We are continuing our mini topic 'Moving On' where we are celebrating the children's successes throughout their Reception year. It explores how they have grown and changed and supports them with the changes to come as they move into Year 1. We have had many talks about Year 1 and have spoken to them about meeting their new teacher next week!

Our key text for next week is: 'Say Goodbye, Say Hello'. We will be thinking about what we will bring with us to Year 1 and talked about all of the memories we have made.

How you can support your child at home:

Talk to your child about what they are excited about doing in Year 1.

Ask your child what they know about Year 1 e.g. Where are the children who are in Year 1 going? Do they think they might need a pencil case? Do they think they may get a morning break on the playground?

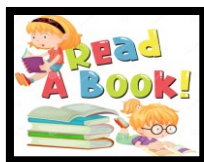

Maths- This week children will be looking at all of topics we have learnt during Reception and pick from a range of activities to further their understanding.

How you can help your child at home:

This link has some games that will support your child's understanding of number.

Can we please ask that you work in partnership with us to help your child reach their full potential by reading with them, signing the record and ensuring it is in school every day. Additionally, please continue to use the QR codes sent home and play Fred games with your child. This will greatly improve their progress in reading and writing.

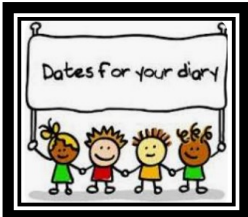

To protect your child in the sun, please ensure that they have a labelled hat and water bottle. We would also ask that you apply sun cream in the morning.

Thank you for your cooperation.

- If you any spare bottoms, underwear or socks to donate, we would greatly appreciate it.
- Nappy bags and wipes would also be greatly appreciated.
- Boxes of tissues for the classroom.
- Please send in some pictures of your children at the beach.

End of Term 23rd July 1pm finish.
