

Rugbytots Summer Term is available to book online, classes are running from:

Saturday 1st June to Saturday 22nd June (excluding Saturday 29th June)

Saturday 6th July to Saturday 20th July (excluding Saturday 27th July)

Saturday 3rd August to Saturday 17th August (excluding Saturday 24th & 31st August)

Our dynamic, games based and cross-curricular classes are currently indoors at all venues and aim to be back outside when the better weather arrives. This is so classes can be as active and engaged in with warm/dry conditions so that little ones can develop and enjoy as much as possible.

Grownups are also part of our classes, taking part with their little ones to scaffold their learning and give families an extra bonding opportunity while we plan and run the fun for you.

Not only do we offer free taster classes for new children, but enrolments are also covered by our 2-week moneyback guarantee. If you are interested in finding out more, or want to get involved in your local venue, contact tom.brown@rugbytots.co.uk for more details.
