Headteacher Message

I am continually inspired by the resilience and determination our children show when they face their fears and challenge themselves to be their very best. This week, our Year 6 pupils have exemplified this spirit in abundance. They have worked incredibly hard throughout the year, building their ability to retrieve and apply knowledge, solve problems, and develop essential life skills.

I remember the nerves I felt as a student before sitting exams—the sick feeling in my stomach that many of us can relate to. But over their eight years at St Joseph's, our children have come to understand that these tests are just a snapshot of one day. They do not define who they are or limit the incredible things they are capable of achieving.

To our Year 6 pupils: thank you for your positivity, your perseverance, and your strong work ethic. You've done brilliantly, and we are so proud of the young people you've become.

A heartfelt thank you also goes to our dedicated staff—those who have guided the children academically and those who have supported their emotional well-being. Your care and commitment have made a lasting difference.

To our parents: thank you for walking alongside your children on this journey, helping them grow in confidence and character. Your support has helped them truly live out our values of love, learn, and grow.

And finally, to the children—you are simply fabulous. Keep being brave, keep trying your best, and keep shining.

Have a wonderful weekend!

Key Messages for Parents

Playground Equipment (donations)

You may have noticed or your children in KS1 may have told you that we have been working on enhancing playground activities for the children. If you are clearing out any of the following items we would warmly welcome them to continue to provide this engaging area for the children:

Lego / small cars or trucks / barbie type dolls or any equipment related to them / building blocks / colouring materials / Stickle bricks / farm animals / dinosaurs / action figures.

We will over the next few weeks enhance the KS2 playground with additional materials also.

Have a lovely, weekend everyone.

From all at St. Joseph's School.
