from Miss Minoli

## The Hodgehog – Dick King-Smith

Max is a hedgehog who lives with his family in a nice little home, but it's on the wrong side of the road from the Park where there's a beautiful lily pond and plenty of juicy slugs, worms and snails! The busy road is dangerous but Max is determined to make his way across. If humans can do it, why can't hedgehogs? His first attempt ends in a nasty bump on the head and, when Max tries to speak, he realises his words are all mixed up. He is no longer a hedgehog but a hodgehog! Still determined to fulfil his mission, Max discovers the best way to cross the road - with the help of the lollipop lady and some careful detective work . . .

## A Bear Called Paddington – Michael Bond

You've probably watched the film, but have you read the book?

Paddington Bear had travelled all the way from Darkest Peru when the Brown family first met him on Paddington station. Since then, their lives have never been quite the same... for ordinary things become quite extraordinary when a bear called Paddington is involved.

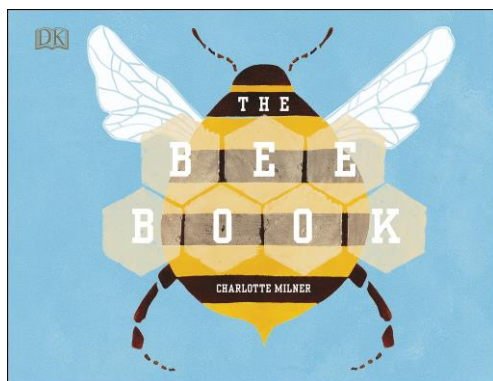

For nearly sixty years, Paddington Bear has touched the hearts of adults and children worldwide with his earnest good intentions and humorous misadventures.

## The Bee Book – Charlotte Milner

Learn all about the beautiful world of bees and their adventure from flower to flower. You'll find out just how much they matter, why they are declining, and what we can do to help.

## Leon and the Place Between

Wanting to prove to his brothers and sister that magic really exists, Leon volunteers to be in Abdul Kazam's magic show and gets transported to a mysterious world.

Filled with rabbits, doves, playing cards and magician's assistants - among other things - if a magician can make it disappear, it will end up in the Place Between!

When Leon returns, not only do his brothers and sister believe, but we do too.
